**SPACE COURSE****HOW TO PLAY**

- Depress the start button to play the game.
- You have 120 seconds per course. When the allotted time is elapsed, the game is over.
- If you can go around a course twice within 120 seconds, the remaining time at the goal is added as bonus points and an additional 120 seconds is awarded for the next course.
- The game is over when you have completed both courses twice.

**PARK COURSE****COCKPIT LASER GAMES**

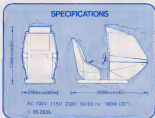

Universal's cockpit cabinet can be used for laserdisc games which Universal will release. So you can simply convert TOP GEAR 2 to the former TOP GEAR by replacing the laserdisc and ROMs.
